

Minimum Specs for BYOD

★ NSG Preferred devices greatly exceed the **minimum** specs below

Hardware

- 8 hour battery life
- Windows 10 operating system or macOS 10.15
- 256GB Solid State Drive
- 8GB RAM
- WiFi 5Ghz (802.11ac or 802.11n WiFi Standard)
- Min 12" (or larger) High Definition Screen
- Hardware keyboard
- Pen
 - Digitizer - Best
 - Passive Pen – Will do

Support

1. A one off connection fee of \$50 will be charged for each new device connected. Technical support from NSGHS will be available for connection issues for any approved connected device.
2. Basic diagnosis of problems.
3. No warranty work, repairs or remediation will be carried out by school staff.
4. No direct access to School Network or local resources, other than NSG Portal, (NSG private cloud).

Connection

1. Check that your device meets the minimum requirements.
2. Collect the Computer User Charter form from the IT office.
3. Pay the connection fee at the cash desk (front office).
4. Bring the signed Computer User Charter and receipt (proof of payment) to the IT office.
The connection process will take approximately 10-15 minutes
